Hope you are having fun and getting adjusted to living a simple life ;)

Just talked to Kimbal. His actual bday is on Thursday night (although his party is on Saturday).

Kimbal, Elon and few of their closest friends will go out that night.

I told him that I am going w Mette for that Gala and that after we wil join them somewhere – or even easiest that they should come to Boom Boom Room.

I told him that you will join us as well. Also I told him that you are coming with Jennifer and that he might want to ditch his ex/or current to be. He said yes and is looking so much forward.

So please prepare Jen –;))
She might like Elon as well.
