They are likely to decline - and honestly after my interview with the woman who would be my boss I am not sure it would be wise to take the job. During the interview she told me she really wanted an internal candidate and that bringing in an outsider meant a huge waste of time for her..."uhhh...."

Anyway I have a really cool plan/idea. I think you will support it and really like it. Still involves the WB. Got another note from Bill who really wants me to be at the WB. Too much to type...want to talk soon?

Also - a really really neat idea from Steve and the LA boys. VERY CLEVER, it surprised me. The analogous Hollywood version of Intellectual Ventures (Nathan's gig).

How is Mette feeling? Does she really have dengue?

Want to talk soon? Tomorrow night late we get to BKK. There till Thursday.
