Called Kimbal few times (his cell is [REDACTED]) but I am getting only his voice mail. Not sure where he is.

I know that he has a plan for tonight – so it might be late to pull something today.

Tomorrow Elon is whole day at that economic development meeting that I am skipping and he goes from there to Kimbal's bday.

I will try to organize something for you guys on Sunday – although I can't attend it as I am going to Seattle Sunday morning.

OK?

Just talked to Mette about you ☺
