---

FYI-I emailed Princess Mette asking if she could meet you for shopping at Prada and suggested 5:30 or 6pm... (Prada on Madison and 70th is open until 7pm) Eva has a meeting at 2pm but is relatively free the rest of the day...her assistant has penciled in shopping at Prada around 5:30 or so...

The Princess is not real fast on getting back to me and yesterday she emailed me that she was dealing with you directly...
